Whole Lamb Commitment and Deposit Information

Thank you for your interest in purchasing a whole lamb for your freezer. A non-refundable deposit of \$100 is required to reserve your spot. Processing fees are the buyer’s responsibility, and the \$100 non-refundable deposit is applied towards these. The farm works with Joe’s Meat Market for all our processing needs. As of 3/2022, for animals with a hanging weight of 50# or less, that cost is \$80 with a 50¢ per pound overage charge. This includes processing, cutting to order, vacuum sealing and flash freezing of your meat.

Deposit can be made by: Cash, Venmo [@BCBfarm] Checks made payable to “Bear Creek Bend Farm” or Zelle to the farms email listed above.

Please enclose the signed bottom portion with your \$100 deposit and return to the farm to assure your spot.

Thank You!
 Nell
